

G3-M7-Topic D

G3-M7-L18: If #1 of the Problem Set will over-challenge some students, consider changing the problem to 12 units by 1 unit.

G3-M7-L19-21: Before students work on the Problem Set, provide a basic line plot for them to interpret & answer basic questions.

G3-M7-L22: Omit this lesson or use it as an extension project for early finishers throughout Topic D.
