

G4-M3-Topic C

G4-M3-L7: For struggling students, consider providing an additional subset of non-renaming problems to complete before the Problem Set, e.g. 32×1 , 32×2 , 32×3

G4-M3-L8-11: Throughout this topic, be ready to remediate problems for struggling students so that they multiply two-digits by one-digit before three-digits by one-digit & without renaming before with renaming.
