

G4-M4-Topic A

G4-M4-L1: Geometry units see students working less with numbers than normal. Counter this reality by bolstering fluency each day of this module. Consider delivering Sprints daily!

G4-M4-L2: Consider using the Lesson 1 Exit Ticket (or problems similar to it) as a subset leading into the Problem Set.

G4-M4-L3: This topic is terminology-rich. Consider providing a subset of core problems from lessons 1 & 2 for students to complete before working on the Problem Set.

G4-M4-L4: This topic is terminology-rich. Consider providing a subset of core problems from lessons 1, 2, & 3 for students to complete before working on the Problem Set.
