G5-M1-Topic B

G5-M1-L5: Don't rush to give this Sprint! It will be incredibly valuable ONCE students have mastered its content. Better to wait a few days until mastery than risk students experiencing frustration.

G5-M1-L6: Consider skipping "Rename the Units" fluency. And, If students collectively struggle with certain word problem types, it might be better use of Application Problem time to review them than the problem provided.
