

G5-M6-Topic C

G5-M6-L13-14: Bolster number fluency during Geometry lessons by lengthening the fluency section. Or, provide intermittent “fluency breaks” throughout the lesson.

G5-M6-L15-16: If behind in pacing, consider consolidating these lessons.

G5-M6-L17: If your class is collectively struggling with a certain type of word problem &/or tape diagram, consider replacing this lesson’s Application Problem.
